

EDISTO.

Product advantage *

The recess on the front surface serves as an architectonic action surface for the bathroom, hallway, kitchen and bedroom. Many additional accessories are available to choose from.

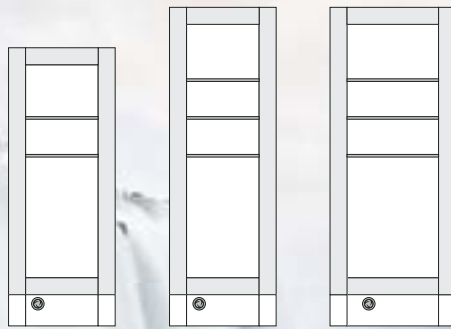

transglobe

Shown: **EDISTO elegance**: Radiator, front panel and base board VNF 1905 Natura; Decorative frame RAL 9007 Grey Aluminium; chrome towel rail

aesthetic, flexible,
a cult object.

Model EDISTO with integrated central connection

564	564	664	 
1471	1685	1685	

Dimensions in mm.

EDISTO.

The abstract contours inspired by the form lines of modern communications equipment - such as cell phones, MP3 players and flat screens - make the **EDISTO** model with its extremely flat panel-sandwich construction a heater with **cult character**.
