

Product advantage *
Architecture and design
become the crucible of
time and space.

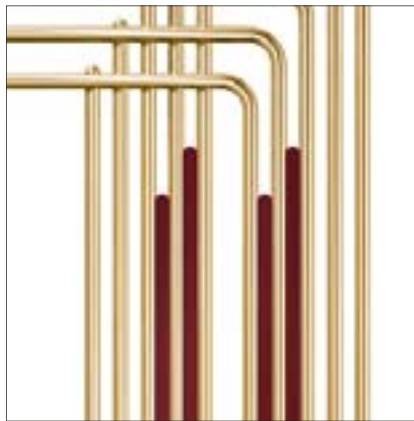

Shown: **FLINT chrome**: Chrome radiator and valve cladding; decorative strips RAL 050 60 30 Terracotta

FLINT.

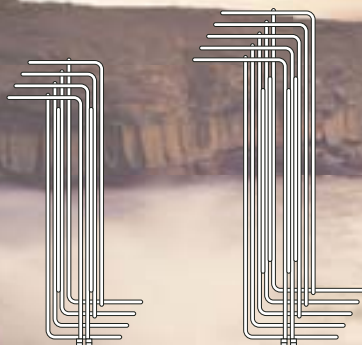

With the **FLINT** model, the **new interpretation of classical forms**, converted with modern materials, creates a stimulating area of conflict which allows the viewer to recognize his individual personality.

Detail:
FLINT gold

artistic,
creative,
individual.
